Completion guarantee

Once a student has started their course, FiT will ensure, to the best of its ability, the provision of training and assessment services through to when they complete their course.

If FiT becomes no longer able to provide the services itself (due to, for example, low staff numbers or its closure), it will endeavour to organise a place for the student at the most conveniently located RTO. FiT will not be liable for associated costs (such as, for example, travel and accommodation to the new RTO).

*Please refer to our Fees, charges & enrolment status changes policy for further information.
